Items discussed:

- Constitution
Revision E has been approved by Boeing Recreation. There was a discussion of the need for a Rev. F to require associate members to have a sponsor from BEEGC (not just any member of a Boeing club).
- Officer roles
- Moving club meeting date
We found that West Coast Armory North had booked the classroom for a class when we showed up for our meeting on January 11. WCAN has reserved the classroom for their classes most evenings. We believe the 2nd, 3rd and 4th Thursdays are available (WCAN has a women's league that does not use the classroom). Hobey will talk with WCAN about dates. We'll discuss this at the next Club meeting.
- Budget
We looked at the budget. We will need to update it before the next board meeting.
- Training
We discussed the training program and problems caused by the NRA's reworking of the basic pistol class which had been our biggest draw. One suggestion had been that we

create our own beginning pistol class and accept it as a prerequisite for the Personal Protection classes.

- Raising our profile with WCAN
 - Suggestion of a club shoot after meetings
 - Suggestion of .22 bulls-eye league

Respectfully submitted,
Fred Crary, Secretary
