Items discussed:

This was a light turnout meeting.

We had a general discussion of legislative trends. Most could be characterized as “preaching to the choir.”

There was a general discussion of where to hold events now that West Coast Armory North was not an option for the moment. Kelly asked us, if we were shooting at other ranges in the area, to inquire whether they would be open to holding events there. Report back to Kelly if there’s a positive response

Finally there was a report of a new FFL setting up in the Kesselring building. This item will be updated if I get more detail.

Meeting adjourned about 6:25 pm

REMINDER: Next meeting will be Thursday, Sept. 28.

Respectfully submitted
Fred Crary, Secretary
